

Portland General Electric

User Rules

By entering into Electronic Data Interchange (EDI) with PGE, I agree to the following User Rules:

Prior to transmitting, my company has conducted tests to effectively transmit and receive data with PGE;

I am responsible for the costs of any Third party Service Provider I use to conduct these EDI transactions, and the costs of my equipment, software, services and testing to effectively transmit and receive documents;

Data transmissions will require a receipt acknowledgment for both parties. If properly transmitted data is received in an unintelligible form, the receiving party will notify the sender.

Neither the sender nor the receiver shall be liable to the other for any special, incidental, exemplary, or consequential damages arising from or as a result of any delay or error in the electronic transmission or receipt of any documents.
