PGE Guiding Behaviors

These core values guide business principles and our work every day:

- Be accountable
- Earn trust
- Dignify people
- Team behavior
- Positive winning attitude
- Make the right thing happen

Energize your future

PGE is an Equal Opportunity Employer and values diversity and inclusion in the workplace and fair and equitable treatment for all. Being a diverse and inclusive company increases our employee and customer satisfaction and drives our innovation and success.

“We want every employee to feel comfortable bringing their whole self to work. When you join PGE, you’re part of a team that welcomes you and your ideas. Your unique perspective and experiences are essential as we serve our customers, find new solutions to tough problems and lead the way to a cleaner energy future for Oregon.”

— Maria Pope, president and CEO

PGE’s Diversity Business Resource Groups

To provide leadership and development opportunities and help with community outreach, all employees are welcome to participate in a diversity group. Current groups include:

- ABLE Disabilities Business Resource Group
- African American Business Resource Group
- Asian Pacific Island Cultures Business Resource Group
- Latin American Business Resource Group
- LGBT+ Business Resource Group
- Native American Business Resource Group
- Veterans Business Resource Group
- Women’s Business Resource Group

“Veterans have experience that is a real asset to PGE.”

— Elizabeth Jain Thorne, customer service representative and veteran representative for the Advisory Committee for Diversity & Inclusion
